ABOUT THE PROGRAM

This program and league is designed to teach and strengthen basketball skills in a fun, supportive, and recreational environment. Key areas of focus include sportsmanship, teamwork, building confidence, and improving focus—core values that help young athletes grow both on and off the court.

OUR INSTRUCTORS & VOLUNTEERS

Our Youth Basketball Program offers age-appropriate opportunities for players of all skill levels: Mini Hoopers | Ages 4-5: A fun introduction to basketball focused on basic skills, movement, and learning the game. Little Hoopers | Ages 6-7: An introductory basketball program led by trained coaches through the RIMREC Youth Basketball League.

League Players | Ages 8-14: Players participate on teams and develop their basketball skills through practices and league play. For this age group, volunteer coaches are essential to forming teams and creating a positive experience for our players. We are currently seeking volunteer coaches, assistant coaches, and team parents to help support the program.

Your time and support make a big difference! If you're interested in volunteering, please give us a call or email info@rim-rec.org.
